Subject: **Notification of Intent to Discontinue Select Legacy Products**

Dear ATS customer,

As a valued ATS customer, we would like to notify you of our intent to discontinue the manufacture of the following product lines: Onsrud router and profilers, Adept robot controls, Numalogic PLCs, D120 PLCs, Accutrol Drives and A415 Starter product lines.

Because a few of these product families still have some demand in the marketplace, ATS will continue to support these product lines until Sept 1st, 2013. To help minimize impact to your production, ATS is offering a "last time buy" (LTB) option for all products involved. All LTB orders must be placed by Sept 1st 2013 and will be non-cancellable and non-returnable. ATS will offer a 1 year repair warranty for all non-consumable items and all consumable items will have a 30 day replacement warranty.

Affected Products (by model):

Numalogic PLCs

PC700

PC900

PC1100/PC1200

HPPC1500/HPPC1700

ATS will continue to offer repair services for the Numalogic, D120 and Accutrol product families. However, after Sept 1, 2013 ATS will no longer support any repairs for the Onsrud or Adept product families. For repair inquiries, please contact our Customer Service Department at (800) 328-7287 or online at www.atsonlinestore.com

If you have any questions or for additional information, please feel free to contact the ATS Customer Service Department at 800-328-7287 or via email at Repair@advancedtech.com.

Sincerely,
