

## PANELMATE®

# Trade-Up Program

ATS is pleased to offer the PanelMate® “Trade-Up” program for customers moving from the Power Pro series operator interface to the current EPRO operator interface.

**When a customer purchases a new ePro unit, ATS will offer a \$500 credit for their used Power Pro unit they return. Offer is valid for each ePro purchased, no limit.**

- Return core must be received within 30 days of ship date of new purchase
- Credit approval to be determined by ATS within 15 days of receipt of core
- Customer will be notified with credit decision
- If unit is not qualified for credit, customer will have option to scrap unit at ATS, or provide return shipping account number to have unit returned to their site
- Credit will be applied to account within 30 days of receipt of core

Contact ATS’ Customer Service for more information at 800-328-7287 or visit our parts website at [www.atsonlinestore.com](http://www.atsonlinestore.com).
