## **Notification of Intent to Discontinue Select PanelMate® Products**

ATS is providing this notification of our intent to discontinue select PanelMate® product lines, including all models of the Power Pro Operator Interface Units.

We intend to manufacture and sell these product lines until December 1<sup>st</sup>, 2019. To help minimize customer impact, we are offering a “last time buy” option for all products involved. All LTB orders must be placed by August 1<sup>st</sup>, 2019, and will be based on product availability, non-cancellable and non-returnable. ATS will offer a 1 year in-service, or 5 year shelf repair warranty for all non-consumable items. We intend to support the repair and sale of replacement parts of all of these product families indefinitely.

**Affected Discontinued Products (by model):**

<b>1785T</b>	<b>3985T</b>	<b>5785T (AC)</b>	<b>5485K</b>	<b>PGGLOBL1701DPRO</b>
<b>1785K</b>	<b>3985K</b>	<b>5785K (AC)</b>		<b>PGGLOBL1701FPRO</b>

**ATS does offer a replacement for the Power Pro Operator Interface!**

The ATS ePro™ Operator Interface units are still available. ATS will be offering a “trade-up” program with discounts for customers who return working Power Pro units when purchasing new ePro units.
